Joann Ilgenfritz lit a candle in honor of Myron.

Dr. Lenkin was my first and only doctor when I moved to Montgomery County. I just saw this notice and such a sad feeling came over me. He was such a nice, kind, understanding and devoted physician. When my one daughter was diagnosed with Type 1 Diabetes she was having a rough day, I took her to Dr. Lenkin even though she had a pediatrician. She was 5. Dr Lenkin called Children's and set everything up for us to go right in. When I brought my Aunt here by ambulance from St. Agnus Hospital on the worst winter night ever Dr. Lenkin waited and examined her right in the ambulance before making arrangements at Holy Cross and Dr. Farber. Let me say I have missed him, he always was available and listened tentatively. They just don't make doctors like Dr. Lenkin any longer. I send my deepest sympathy to his wonderful family, and our thanks for sharing such a remarkable person with my family. He is missed. 🙏 Joann Ilgenfritz
