Gary and his father Sol were always such a pleasure to work with. I had the pleasure of working alongside both at Foremost Furniture in New York. His talents will be a loss to the furniture industry.

Deepest condolences to Gary's family and friends. I got to know Gary over the past several years at Plank & Hide. Having grown up in the furniture business, I always loved hearing Gary's stories about the heyday of the industry. He was a raconteur of the highest order! Also enjoyed our conversations about politics and classic rock. Every time I hear Life in the Fast Lane by the Eagles, it reminds me of Gary and the ringtone on his phone! May Gary's memory continue to be a blessing now and into the future.

I have had the pleasure of knowing and working with Gary for the past couple of years with Plank & Hide. It was a pleasure to listen to and learn from him because he was a veteran of the furniture industry. One thing I can tell you is he LOVED to share stories and photos of his wife, children, and especially those beautiful granddaughters of his. Gary will surely be missed.
