Edie and family, What a difficult and sad occurrence. My heart goes out to you! I will never forget the letter I found from you about you and Eli at senior prom. If I remember correctly it proved you correct to Eli. This is the most difficult loss. The sadness and pain never goes away. You eventually find a place and way to remember wonderful memories. Getting used to the loss is the tough part. Hugs to you.

Edythe, I am so sorry for your unimaginable loss! May his memory always be a blessing. Got to meet your husband at our holiday celebration and the love he had for you in his eyes was evident. Such a loving and caring man. Keeping you wrapped in prayers.
