Mark & I met when we taught together at a school in Riverdale Illinois. It was through this connection that we became good friends. After retiring from teaching, we enjoyed meeting for lunch, shopping and decorating. My husband Rob and I had many double dates with Mark & Linda, going to plays, out to restaurants and game nights. We even traveled together to Puerto Vallarta, Mexico where we all swam with dolphins, went whale watching and walked the beach. We also attend each other's family events such as children's weddings and grandchildren's bar and bat mitzva's. Whenever we were together, we laughed a LOT. He was a close friend to both of us and much like a brother to me. He will forever live in our hearts. Eileen & Rob Stachniak

Just two years ago when we were visiting the Samsons my wife Nui and Mark were in the ocean enjoying the waves crashing upon them. Mark was so young at heart. ❤️
