Here we go again. I miss you, we miss you so much. Hard can't describe the emotions..... there's a hollow space in my heart. I named my only son after you because I wanted your name to carry on. I named my daughter after you and mom because I wanted that legacy to continue. Jaxson Allen Britt and Charlee Nan Britt will continue your last name. I wear a few of your hats, shirts, pants, etc. but they don't take away these blues. It's been lonely without you here. I miss the phone calls. I miss the talks. I came to see you on Monday. Samantha is having a really hard time. I guess you had a place that needed you more. Mom, grandma, cousin Nicky, aunt Liz, grandma B, grandma DeeDee, papa Sal, Papa Ervin my good friends Kevin and Don will show you around. Kevin is a good guy and a good shot I told him you were also. To be continued

Ahhhhhhh.. where do i start? This is gonna break my heart..... Damn I love you. I miss you a lot more. I need your guidance, acceptance, compassion, love, and to hear your voice more than you know. I'm sorry for not being more open about my feelings. I need you to be here for me as my dad more than you know. You raised a phenomenal daughter. Thank you for that. With out her who knows who the hell id be. She and you molded me to the man I am now and I thank you for that. My birthday was yesterday I couldn't celebrate it because you were not here and you have always been my wish to have as a father. To be continued as for I need to take a break.. I love you dad!!
