I am so sorry for the loss of Alexa. The only memories I have are because Paul so generously shared stories and photos of her via FB. I never met her in person, nor have I met Paul & Alexa's parents, but I do know that the Mitchells are a shining example of what it means to be a family. And I know that everyone Alexa ever touched is a better person for having known her. May she rest in peace and may her memory be a blessing. 🌸
