**Cristal Cotmon** posted:

I have so many fond memories of Sonia. My name is Cristal Cotmon and I worked for the Court Mediation and Arbitration Program in Broward County, FL. I served as the Mediation Services Coordinator until my retirement in September 2022. Sonia was a mediator for our program for many years. We've kept in touch since my retirement, but when I couldn't reach her after numerous attempts, I knew, in my heart, she was gone. She was always so good about getting back to me. She's been on my mind so much lately. I hesitated trying to find out if she was gone because I didn't want to face it. I googled her name this morning, and found her obituary. Sonia was greatly loved and will be missed.
