Cynthia J. Powell

December 18, 1949 – March 25, 2025

With profound sadness, we announce the passing of Cynthia J. Powell. She was a devoted wife, a loving mother, a cherished friend, and a beacon of kindness to all who knew her.

Cynthia is survived by her beloved husband, Bruce; her children, Lauren and Darren; and her brothers, James and Peter. She was preceded in death by her sister, Sandy.

The greatest titles she ever held were Mother, Wife, and Friend. She embodied love, warmth, and generosity in everything she did. She painted, sculpted, sewed and designed everything from the family home to fashion clothing and her grandchildren's Halloween costumes. Her kindness was extraordinary, her compassion boundless, her energy tireless, her taste pure perfection, her beauty exquisite and she loved without peer. She dedicated her life to empowering your individual spirit, always ready with an open heart and helping hands.

Cynthia's legacy of love and selflessness will continue in the hearts of those she touched. Her imprinted kindness and unwavering spirit will remain forever.

A celebration of her life will be held at Beth Israel Memorial in Boynton Beach (11115 Jog Road, Boynton Beach). In lieu of flowers, the family asks that donations be made to St. Jude Children's Research Hospital, in honor of Cynthia's lifelong love of children and commitment to hope.

Dear Bruce, Lauren, and Darren Powell, Although it has been many years since we were in contact, my family and I always cherished the friendship and kindness Cindy offered to us as a family. The years that Lauren and our daughter, Michelle attended Greenvale school were precious and filled with so much joy. Cindy would often take Michelle with her when she picked up Lauren from school. They often went to Ben's for lunch. When Michelle and Lauren had a sleep over, Cindy treated her like she was a member of their family- In the years that followed we purchased their Dix Hills home and again, Cindy was very generous. I have many memories of Cindy's parents visiting and her love for her mom and dad was enormous. Whatever affected us as friends and neighbors, Cindy offered support and words of encouragement. Please accept our condolences on Cindy's passing. The tribute photo is just as I remember her- beautiful and full of smiles. I am deeply sorry for your loss. Cindy truly left the world a more beautiful place.

Cindy always touched my heart. She loved unconditionally. No matter what she was going through, she showed compassion, care and love for all around her. She told me recently that she believed we were meant to meet and be in each others lives. She's an angel. I will miss her deeply.
