# Kenol Germain-Philistin

APR 23, 1993 - MAY 12, 2025

**K**enol Germain-Philistin Jr., 32, of Lake Worth Beach, Florida, passed away on May 12, 2025. He was born on April 23, 1993, in Port-au-Prince, Haiti, to Vena Valceus and the late Kenol Germain-Philistin.

Kenol will be remembered for his warmth, generosity, and his deep love for music. His vibrant energy and creative spirit left a lasting impression on everyone he encountered. Whether through conversation, laughter, or song, Kenol had a way of connecting with others that was uniquely his.

Music was the heartbeat of his life. He loved creating it, sharing it, and getting lost in its rhythm. Kenol was the ultimate hype man—lifting the spirits of those around him and making everyone feel seen, supported, and celebrated. His ability to bring people together will remain one of his most enduring legacies.

His compassion ran deep. His laugh was infectious. His sense of humor, unforgettable. Kenol will be remembered not only for the joy he brought, but for the love he gave so freely to his family, friends, and even strangers.

He is survived by his mother, Vena Valceus; his sister, Nedgy Moise; his brother, Kervens Germain-Philistin; his nephew, Jase; his grandparents; and a large extended family of aunts, uncles, cousins, and close friends who loved him dearly.

Though his absence is deeply painful, the memory of his spirit will live on in the hearts of all who were fortunate enough to share in his journey.

A service to honor Kenol's life will be held at 10:00 AM on Saturday, May 24, 2025, at Beth Israel Memorial Chapel. All are welcome to attend and celebrate his life.

Kenol's time with us was far too short, but the love, laughter, and memories he gave will stay with us always.

My nephew Kenol was a contagious person when it comes to making you laugh and giving you the best advice in life, I will deeply miss our text messages when he'll say my queen just trust in the higher power of god everything will be alright. I'm saddened because I won't see you again but I'm content knowing you're in a better place, my beautiful nephew you're gone far too soon but I'm sure you're looking down at all of us and you're smiling. May your beautiful soul rest in eternal peace my sweet angel. Until we meet again Love auntie AKA your beautiful queen as you always call me.

Kenol and I crossed paths working together, for several months within the last year. Kenol had an aura of positivity and an ability to uplift individuals- not just a few people, but like a room full of people! I would witness this on the regular and I was always impressed by the power of his presence. Even the fewest of words from Kenol could easily bring your day up from the bottom as well as further the trajectory of a great day. In a world so rarely blessed by souls like Kenol, he will remain forever admired and appreciated as well as greatly missed.
