/Users/terrypressner/Desktop/IMG_4348.JPGI had the good fortune of working with "Mr. Ward." He was a mentor to many and was respected by everyone he encountered. Coming out of a Wall Street Bank to a Florida Store /Burdines, was a huge change for me. But thanks to Ivan, he taught me the retail business. Countless college interns were placed in our store for his guidance. It was an absolute pleasure to go to work everyday. He treasured his family and was always understanding when others had family obligations. A true gentleman. My admiration for his devotion to Roberta and his children gave us an instant connection. Sending our love and prayers to Roberta, Peter, Cory and the Ward family and friends.
