Norman Michael Artzt

JUN 3, 1948 - APR 1, 2026

Our dear loving father Norman Artzt, born June 3, 1948 in Brooklyn, New York, passed away April 1, 2026.

Our dad started working at the age of 13 to help support his mother and grandmother at the age of 20. He opened up his first hair salon in Brooklyn, and after a couple of successful salons, decided to move our family to Florida in 1987. He and our mother, Judi built their empire with beauty salons all over South Florida.

As we all know our dad was a very funny person as soon as you started a conversation with him, you laughed from beginning to end. He was very thoughtful and very generous to people he loved. He was a hard worker, loyal and loving to those that he knew. We will miss him and always have him in our hearts.

Norman is survived by his loving children, Matthew (Rebecca) Artzt, Eric, and Stacie Artzt (Benny Lopez); and adoring granddaughter, Rachael Artzt.

He was preceded in death by his beloved wife, Judi Artzt, and his brothers, Burton Artzt and Carl Artzt.

A funeral service will be held at 11am on Tuesday, April 7, 2026, at Beth Israel Memorial Chapel (Delray) Location. 5808 W. Atlantic Avenue Delray Beach, FL 33484.

Entombment will follow at 12:15pm at Eternal Light Memorial Gardens. 11520 State Road 7 Boynton Beach, FL 33473.

Shiva will follow interment at the residence of Stacie Artzt.

I met Norman 20yrs ago at Scandals as I learned country line dancing. 12 years ago we reconnected while listening to live vocalist Lenora Jaye at the Alibi and he and I saw each other consistently every week. Norman knew everyone and everyone knew Norman and thats how others got to know me. Our friendship created a family of friends that I will always cherish our years of good vocal music and our friendship. Ive always stated , Norman, I love you just the way you are, and he shared the same with me. I miss my friend and will always remember him as a part of my life.

I was his nurse for many months. I love him dearly. Wherever I went to his room , he would say " look at the body on you". He made my day with his air kisses. Love you Norman

Norman you will be so very much. I remember my then husband, crashed my car. You offered us a car of your own to use while it was being fixed. We didn't take you up on the offer, but just that thought that thought that you were gonna give that to us was beautiful.. I started my career working for you in Boca Raton. You're my first real boss. It's timing on. We grew closer and you really help guide me in my life. Rest in peace Norman.
