“ Susan, I was sorry to read of your mother’s passing in the Toms River Kolenu. I know this is a very difficult time for your family. I don’t know if you remember me, but I stayed at your house in Toms River during one of our USY weekends back in the 60’s. We stayed friends for a while and then lost touch. Ironically,we’ve been living inToms River for 42 years. I just want you to know that my thoughts are with you at this time. I’ve been through it. Take care. Jane Kleiner Yavener
