Janet was very warm hearted and full of life. Her big smile welcomed friends into her life.

Her glass was always ½ full, never ½ empty. She was a positive force.

A believer that if you verbalize a goal you will achieve it.

Janet always looked for the positive in people, enjoying their company and camaraderie.

We have been blessed with wonderful, wonderful friends who have become our family.

After over 26 years together, we were still on our Honeymoon. She was the light in my life.

She will always be ingrained in my heart and my soul.

May she rest in peace and her memory be a blessing
