“ I could have never hoped for a better sister in law than Renee Diamond Applebaum. I remember the day Norman introduced me to his sister Renee. She was kind, warm and made me feel comfortable as Renee could always do. Norman, Sherman, Renee and I spent countless times together....trips to Maine...the holidays, birthdays...our cousins club get together at one another's homes and so on and so on. Renee loved life and had a great sense of humor. After we both lost our husbands , though a thousand miles apart. we had a bond that kept us close. I will miss you Renee. You will always be in my heart.

“ Renee was the best sister in law I could have ever hoped for. From the first day Norman introduced me to his sister Renee, there was a smile of warmth and kindness. She had that way of making you feel important. Throughout the years Sherman, Renee, Norman and I spent countless times together....trips to Maine...holidays, birthdays... the cousins club at one another's homes and so on and so on. Renee has a great sense of humor and enjoyed life to the fullest. After we both lost our husbands and being a thousand miles apart our bond and understanding kept us close at heart. I will miss you Renee ... and I will never forget your warmth and loving ways. Always. Annette

“ My mother was a giver and never wanted anything in return! She never complained about the all the pain from all of her many injuries. She fell in jewelry stores in seven states and including her trip to China! LOL
An Appendectomy at 87 and breaking both legs in July , which was the begining of the end for her
She will be missed more then I can ever begin to tell anyone !!!
