

Sharlene Riibner

June 5, 2020

Sharlene Cohen Riibner was two months short of her 85th birthday and nine days short of her 67th anniversary.

Her career was running a 35 person CPA firm and she helped guide it to a great success. Firm is still active but without Sharlene.

She was born in Trenton NJ August 15, 1935. Around 1950 she moved to Washington DC with her mother Edith and brother Jerry. She graduated Coolidge High School in 1953. She married Marvin Riibner and lived in Boston for about a year returning to D.C. and later moving to Maryland. She and Marvin lived in Maryland until 2001 and then moved to Gleneagles in Delray Beach Fl.

She had 4 children, Renae Brigham(Chris), Larry Riibner, Cheryl Margulies (Stuart) and Alan Riibner (Beth).

She had eight grandchildren, 4 boys and 4 girls and loved each of them. Travel to foreign countries with her family was big on her calendar and she enjoyed being the leader on all trips. She enjoyed booking these trips and so did the grandchildren and children.

Sharlene loved sports and was an excellent golfer, playing on the West Virginia State Championship team and winning the championship in Snowshoe West Virginia. When she came to Gleneagles she was on the team and played Challenge Cup with other major clubs in southern Fl. They played scratch matches (no handicaps).

She enjoyed playing Bridge, Mahjong, and canasta. Played all each week. Also enjoyed going to shows and

was an avid reader of books on her kindle.

She will be missed.

“ I have so many wonderful memories of my Aunt Sharlene that began when I was about 4 or 5 years old as the ring bearer at her wedding to Marvin. As a child, I remember many visits with her and her family. As an adult, we continued our contacts with each other and our families. I remember playing tennis and golf with her and Marvin on many occasions...she was very competitive. Our last visit was in early March this year, just before the covid-19 travel restrictions began. My wife, Mary and I, visited Sharlene and Marvin at their home for a couple of days. We enjoyed each other's company very much. She and Marvin are wonderful hosts. We went out to dinner a couple of nights and spent much time talking and remembering the "old days". I didn't realize that this would be the last time that I would see her, but I remember when we were saying goodbye, we gave each other a very long hug and told each other how much we loved each other. She was a very special woman, wife, mother, aunt, grandmother, and friend. I will truly miss her.
