“ I just found out about the passing of Sharon and I am devastated. She was such a lovely person. I used to take an exercise class with Sharon at NYSC on Third Ave by Grand Central. Her and I would always chat before class and in the locker room. I enjoyed those chats very much and it was a pleasure to get to know her. When COVID happened back in March I lost touch with her. I am so sad to hear this news and my condolences to her family. She spoke very highly of all her nieces and her partner, Gino. She will be missed!
