Stephen Frank Morlini, age 62, peacefully passed away on November 11, 2020 due to Gliosarcoma (brain cancer). He was born June 29, 1958 in Jersey City, New Jersey to Frank and Irene Morlini.

Steve loved to help people. A mechanical mastermind that loved cars, wave-runners, motorcycles and anything with an engine. Steve rode them all whenever possible. His hands were rarely still, always at work. The Corvette was always his favorite car. He also shared his love with a plethora foods from Peach and Strawberry Pies to Bourbon Balls and Christmas Cookies.

For over 30 years Stephen owned Automotive Unlimited an auto repair shop in Deerfield Beach, FL. He loved running his shop, restoring classic cars, and loved helping his friends and family in any way he could.

Steve is survived by his daughters Elena and Nicole, sisters Pattie and Laurie, and love Elisa Rose. All of these people he loved and touched deeply as well as countless others.

Please join us in celebrating his life Saturday morning November 15, 2020, starting at 10:15 a.m. Donations may be made to the United Way of Broward County at www.unitedwaybroward.org and the TrustBridge Foundation charity at www.trustbridgefoundation.org.

Comments

“ Steve was very much a part of our family life in Rockwell way and particularly with our son Sean who worked with him for many years first as an apprentice and then as a mechanic. Our dinner table was replete with tales of ‘customer interactions’ (particularly the tough ones!), Steve’s innovations for fixing cars and dare devil weekend high-speed exploits on motorcycles and wave runners. Steve was a good and decent man, kind to those who needed help and a good friend to us. We’ll miss him.
